Horizons East Equestrian Center

Riding Levels

Horizons East has set up the chart below in order to help each rider understand what abilities are required. In order to progress through the different Riding Levels, the student should ride a minimum of 2 times per week in order to perform the tasks listed.

Class C	Class B	Class A
Balance on horse	2-Point	Fly Changes
Walk	Crossrails	Stride Control
Steering Control	Sitting Trot	Jump a Course
Poles	Limited Jumping	Sidepass
Posting Trot	Limited Cantering	Quick Transitions
Correct Diagonals	Poles	Collection
Lunge-Line	Limited no stirrups for conditioning	Advanced no stirrups for conditioning
Grooming & Care	Grooming & Care	Show Preparation

** Each rider will be taught proper grooming & care skills according to each level.*

*** For children 3 - 5 years old, we have a **Toddler** class. This is a private class with an instructor walking in hand on a lunge-line. The child will get an introduction to tack, parts of the horse & basic grooming. This class is walk only. When the rider is ready to trot they graduate to 1/2 lessons.*

**** For advancement, a higher performance horse/pony can be rented per lesson for '**upgrade rides**', ask your instructor for more information. These are scheduled by appointment only. **Monthly leasing** is also available for the ability to learn with the same horse each time.*

*****For everyone's safety, all riders must be able to drop and retrieve stirrup irons while horse/pony is in motion before cantering or jumping.*
